

# Northern Territory Skilled Operation Priority List (NTSOPL)

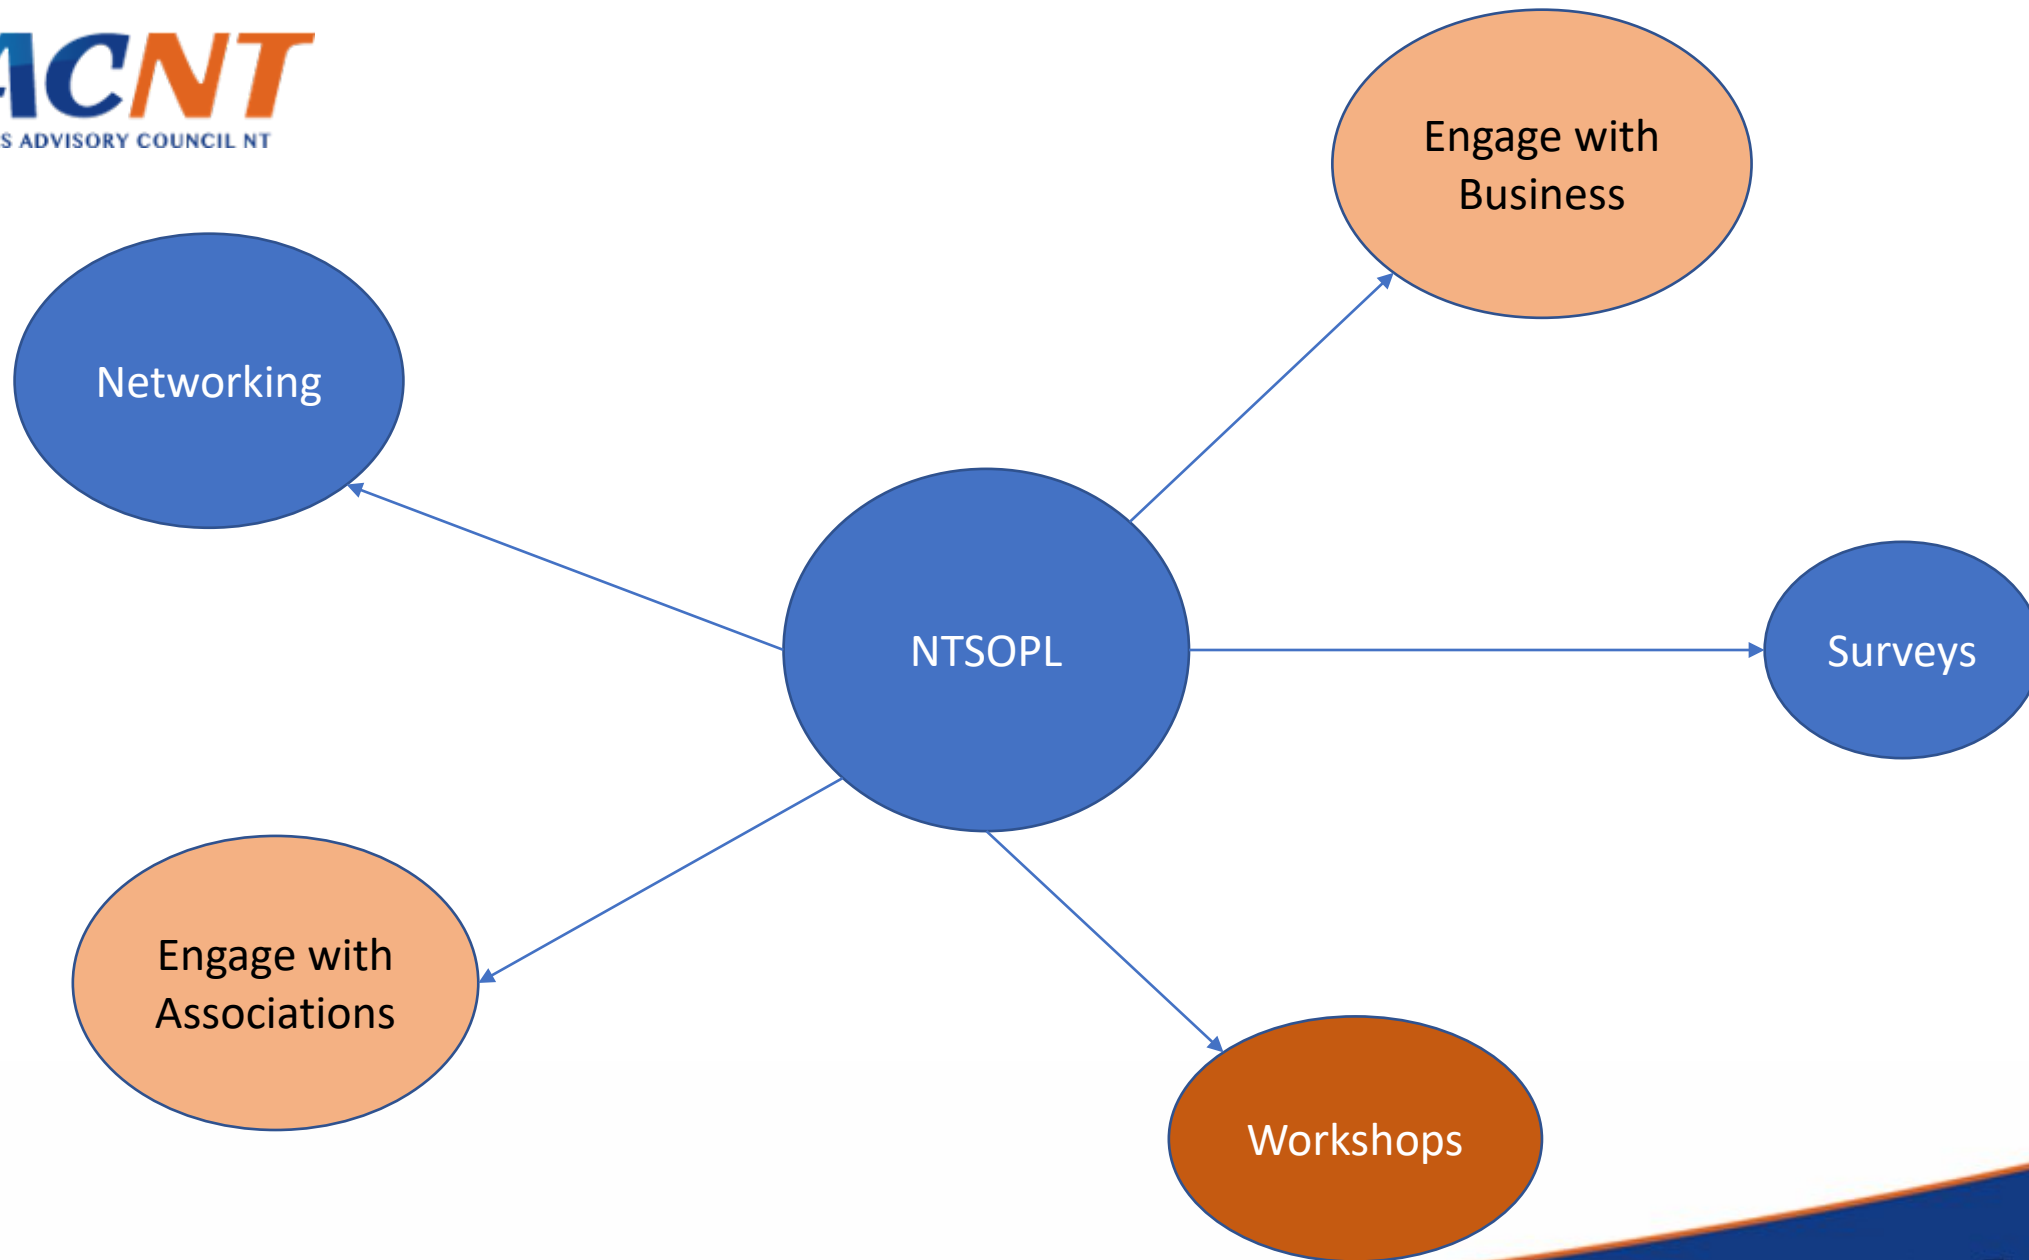

## INDUSTRY SKILLS ADVISORY COUNCIL NT (ISACNT)

- Building relationships
- Contribute to the development of national qualifications
- Research industry workforce trends - future planning.
- Provide advice to the Northern Territory Government to link industry training needs with Government funding through Vocational Educations and Training (VET) plans.
- Provide impartial recommendations to NTG on occupations in support of NTSOPL

## NTSOPL – WHAT IS THIS?

- Annually produced list of skilled occupations
- Produced by the NT Government.
- Informs workforce development initiatives which includes funding opportunities and to facilitate pathways for overseas workers.
- ISACNT's Role:
  - Engage with industry over the year identifying workforce challenges
  - Provide recommendations based on evidence collated on occupations and workforce. Whether there is an issue or not we need to hear about it.
  - Qualification update

ANZSCO Code	Occupation Name	Skill Level
272112	Drug and Alcohol Counsellor	1
272311	Clinical Psychologist	1
272399	Psychologists nec	1
272511	Social Worker	1

## HOW YOU CAN HELP?

- The more information we have from industry the better
