## Need help understanding the new Alcohol and Other Drugs accreditation requirements?

**Contact QIP for a complimentary  
consultation to determine the best  
accreditation standards for your service.**

Quality Innovation Performance Limited (QIP) specialises in providing accreditation and support services to a diverse range of organisations. We have more than 25 years' experience across the community services sector, as well as over 10 years' experience working with primary, secondary and tertiary healthcare providers.

The National Quality Framework for Drug and Alcohol Treatment Services is applicable to all Alcohol and Other Drug (AOD) service providers. The Framework requires AOD providers to be accredited under one of 10 standards by 28 November 2022.

Based in the Darwin, our local QIP team is offering complimentary consultations to AOD providers in the Northern Territory, to determine which of the stipulated Standards best suit their service.

To learn how we can best support your service with your accreditation requirements, contact Tegan for personalised assistance.
