SPONSORSHIP PACKAGES AND BOOKING FORM

Conference Details

The Association of Alcohol and other Drug Agencies NT welcomes you to Darwin to partake in our annual drug and alcohol treatment conference for the non-government sector. This year, AADANT has taken on the theme of “Together we make a difference” to explore the ways in which services can collaborate and learn from each other to strengthen their service delivery throughout the NT.

Location

This year’s conference will take place in Darwin. The Top End has the highest concentration of AOD services and is home to a large portion of the AOD workforce in the NT. AADANT understands the budget constraints services are under to operate, let alone provide professional development opportunities, and has chosen Darwin to continue to grow the conference.

The Hilton Darwin, 32 Mitchell Street, will host AADANT’s conference for the first time.

How does your sponsorship help?

Depending on your sponsorship package, you will be helping AADANT to put on our annual AOD Awards Luncheon, open the event up for more than 100 delegates to attend and provide experts from across the NT and Australia to speak at the conference. AADANT is not fully funded to put on this conference and relies heavily on the support of sponsors and members to be able to provide this professional development opportunity to the NT AOD Sector. As the only annual AOD conference to be held in the NT, AADANT strives to provide opportunities to attend to all NT AOD Sector workers and your sponsorship helps us do that.

Preliminary Program

This year’s program will focus on programs and research in the NT and meaningful collaboration and engagement between services and clients.
