

## Workforce Development - Recruitment Campaign 2020-2021

### ASSOCIATION OF ALCOHOL AND OTHER DRUG AGENCIES NT

*Together we make a difference*

The Association of Alcohol and other Drug Agencies NT (AADANT) is looking for your help to develop stories from the AOD workforce in the NT to support our recruitment campaign.

In June 2020, AADANT released their first media campaign advertising the different treatment options available for those who use AOD in the NT. The second part of this campaign is to attract skilled staff and young people (graduates) looking for careers into the NT AOD sector.

What we are looking for is stories by AOD workers already in the sector telling us why they chose AOD and what they love about their work.

We will not be identifying anyone who responds to these questions by name or picture unless you would like to be. We will be taking your answers to the questions below and turning them into stories about your career and why others should consider the NT AOD sector.

If you would like to participate, please complete the form below and forward to Katie Flynn [projectaadant.org.au](mailto:projectaadant.org.au). If you have any questions, please call 08 8943 0608 to speak to either Katie or Peter Burnheim about this campaign.

Please note, this is voluntary and you can withdraw your support at any time.
